

PASS THE LOVE W/ WAFFLES + MOCHI

A campaign from Partnership for a Healthier America

Partnership for a Healthier America is teaming up with Philabundance to share Pass the Love meal kits with local families. Meal kits will provide timely and nutritious food to families and spread the joy of cooking.

Philabundance will distribute meal kits that include high-quality ingredients and recipes inspired by the new kids show *Waffles + Mochi*. During this 4-week program starting August 2, 2021, families will create 3 family meals per week and find joy in cooking at home.
